Requirements for your SwissPass photo.

1 **Dimensions.**
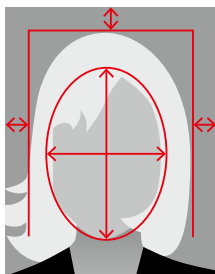

Format	approx. 35 × 45 mm
Gap between face and edge	min. 2 mm
Face width	20–31 mm
Face height	25–41 mm

Examples of suitable photos:

2 **Quality.**
- We can only accept a photo that you have printed out yourself if it is printed on photographic paper in high definition.
- The photo must be well focused and high-contrast.
- Photos may be either black and white or in colour.

3 **Requirements.**
- Ideally a neutral, single-colour background
- Facing forwards and looking straight at the camera
- Eyes open and not covered by hair or dark glasses
- Your entire face must be visible
- No headwear (exceptions upon request for health or religious reasons)
- Uniform lighting (no shadows)

4 **Dispatch.**
Write your first name, last name and date of birth on the back of the photo with a felt pen, and stick it onto the photo card (below). Send the card back to us by post **within ten days**. Many thanks.
